Title 13: Gaming

Part 2: LICENSING

Part 2 Chapter 1: APPLICATIONS

Rule 1.1 Procedures.

(a) In General. It is the declared policy of the State of Mississippi that all establishments where gambling games are conducted or operated must be licensed and controlled so as to better protect the public health, safety, morals, good order and welfare of its inhabitants. Any license, registration, finding of suitability, or approval by the Commission shall be deemed to be a revocable privilege and no person holding such a license, registration, finding of suitability, or approval is deemed to have acquired any vested rights therein.

(b) An application for a state gaming license or any other affirmative Commission action is seeking the granting of a privilege, and the burden of proving his qualification to receive any license, registration, finding of suitability or approval, is at all times on the applicant. The applicant must document compliance with all applicable federal, state and local rules, regulations and permit requirements. An applicant must accept any risk of adverse publicity, embarrassment, criticism, or other action, or financial loss which may result from action with respect to an application and expressly waive any claim for damages as a result thereof.

(c) An application for a license, finding of suitability, or registration, besides any other factor attaching to such an application by virtue of the Act and these regulations, shall constitute a request to the Executive Director for a recommendation and to the Commission for a decision upon the applicant's general suitability, character, integrity, and ability to participate or engage in, or be associated with, the gaming industry in the manner or position sought by the application, or the manner or position generally similar thereto; and, by filing an application with the Executive Director, the applicant specifically consents to the making of such a recommendation by the Executive Director and such a decision by the Commission at their election when the application, after filing, becomes moot for any reason other than death. (Adopted: 09/25/1991.)

Rule 1.2 Other Commission Considerations for Licensing

(a) In General. This chapter sets forth some criteria which the Commission will consider when deciding whether to issue a license to conduct gaming on an establishment, vessel, or cruise vessel on Mississippi jurisdiction bodies of water. The various criteria set forth may not have the same importance in each instance and other factors may present themselves in the consideration of an application for a license. The criteria are not listed in any order of priority.

(b) Revenue provided by facility. The Commission will consider the amount of revenue to be provided by the proposed facility to the state and local communities through direct taxation on its operation indirect revenues from tourism, ancillary businesses, creation of new industry, and taxes on employees and patrons.

(c) Establishment, vessel, or cruise vessel viable and properly financed. The Commission will consider whether the proposed establishment, vessel, or cruise vessel is economically viable and properly financed.

- (d) Adequate security. The Commission will consider whether the proposed establishment, vessel, or cruise vessel is planned in a manner which provides adequate security for all aspects of its operation and for the people working, visiting, or traveling on the establishment, vessel, or cruise vessel.
 - (e) Efficient and safe operation. The Commission will consider whether the proposed establishment, vessel, or cruise vessel is planned in a manner which promotes efficient and safe operation of all aspects of its facility including, but not limited to, docking facilities, all areas of establishment, vessel, or cruise vessel concession areas, and management areas.
 - (f) Efficient, safe and enjoyable for patrons. The Commission will consider whether the proposed establishment, vessel, or cruise vessel is planned in a manner which promotes efficient, safe, and enjoyable use by patrons including, but not limited to, establishment, vessel, or cruise vessel structure, parking facilities, concessions, the casino, access to cashier windows, and rest rooms.
 - (g) Compliance with applicable state and local laws. The Commission will consider whether the proposed establishment, vessel, or cruise vessel is in compliance with applicable state and local laws regarding fire, health, construction, zoning, and other similar matters.
 - (h) Employ appropriate persons. The Commission will consider whether the applicant will employ the persons necessary to operate the establishment, vessel, or cruise vessel in a manner consistent with the needs, safety, and interests of all persons who will be on the establishment, vessel, or cruise vessel.
 - (i) Population of area establishment, vessel, or cruise vessel will serve. The Commission will consider the population of the area to be served by an establishment, vessel, or cruise vessel together with location of other establishments, vessels, or cruise vessels within and without the state of whatever nature.
 - (j) Character and reputation. The Commission will consider the character and reputation of all persons identified with the ownership and operation of the establishment, vessel, or cruise vessel or licensed business, and their capability to comply with the rules of the Commission and the Mississippi Code.
 - (k) Economic development. The Commission will consider whether the proposed operation will maximize economic development.
 - (l) Tourism. The Commission will consider whether the proposed operation is beneficial to Mississippi tourism.
 - (m) Employment opportunities. The Commission will consider the number and quality of employment opportunities for Mississippians created and promoted by the proposed operation.
 - (n) Shore development. The Commission will consider the amount and type of shore developments associated with the gaming establishment, vessel, or cruise vessel project.
 - (o) Miscellaneous. The Commission will consider such other factors as may arise in the circumstances presented by a particular application.
- (Adopted: 09/25/1991; Amended: 02/23/2006.)

No more than two (2) continuances may be granted for each license and any continuance of a license is subject to the Commission's power to revoke, suspend, condition or limit as if it were the initial license.

(d) *Registration.* A commission action which authorizes an entity to be a holding company with respect to another entity which holds or applies for a state gaming license.

(e) *Other Licenses Or Findings Of Suitability.* The Act and these regulations require or permit the Commission to require that certain persons directly and actively involved in the administration or supervision of the gaming activities of gaming licensees be found suitable to hold a gaming license so long as that involvement continues.

1. The following persons shall apply for a finding of suitability and must be found suitable by the Commission in order to be involved with a licensee:
 - i. each person who serves as Chairman of the Board of Directors of any corporation, public or private, licensed or registered by the Commission; and
 - ii. each person who has a vote on any issue before the Board of Directors of any corporation, public or private, licensed or registered by the Commission and who is also an employee of the corporation or any of its subsidiaries.
2. The following persons shall apply for a finding of suitability and may be found suitable by the Commission after review of the application:

- i. each person who serves as the Chairman of the audit or compliance committees of any corporation, public or private, licensed or registered by the Commission, and
 - ii. any executive, employee, or agent of a gaming licensee that the Commission determines as having the power to exercise a significant influence over decisions concerning any part of the operation of a gaming licensee.
3. Whenever it is the judgment of the Commission that the public interest and the policies set forth in the Act will be served by requiring any employee to be found suitable, the Commission shall serve notice of such determination upon the licensee. The Commission shall not be restricted by the title of the job performed but shall consider the functions and responsibilities of the person involved in making its decision as to suitability status. Examples shall include, but are not limited to, persons acting in the capacity of a property level general manager, assistant general manager, or executive level personnel actively and directly engaged in the administration or supervision of the activities of a licensee. Grounds for requiring suitability of an executive, employee or agent which are deemed to serve the public interest and the policies of the Act include but are not limited to the following:
 - i. the individual is new to the industry, to the particular gaming establishment, or the position, and has significant influence and control and the Commission has little or outdated information concerning his or her character, background, reputation or associations; or
 - ii. information has been received by the Commission which, if true, would constitute ground for a finding of suitability to be associated with a gaming enterprise.
4. The licensee shall, within thirty (30) days of placing an employee into a position as described above shall present notification to the Executive Director who shall inform the licensee whether the application for a finding of suitability is necessary. Failure of the licensee to respond as required by this section shall constitute grounds for disciplinary action.
5. Any individual whose application for finding of suitability is required pursuant to this regulation may request the Commission in writing to review its determination of that individual's status within the gaming organization any time within ten (10) days following the filing of a completed application as required by this regulation. In the event the Commission determines that the applicant is not required to be found suitable or that the public interest and policies of the Act do not require the finding of suitability of the individual at the time, then the applicant shall be allowed to withdraw his application and he may continue in his employment.
6. An applicant for a finding of suitability has the burden of proving his qualification to receive and maintain a finding of suitability pursuant to Mississippi Code Annotated § 75-76-67. If the nature of the job changes from that for which the applicant is

found suitable, he may be required to submit himself to a new determination of his suitability.

7. A finding of suitability is granted for a period of no longer than ten (10) years from the date of issue. A finding of suitability may be granted for a period of less than ten (10) years within the discretion of the Commission.
 - i. A holder of a finding of suitability must file with the Investigations Division of the Commission the “Investigations Division Annual Report”, providing all information requested on forms provided by the Commission, and any other information requested by the Executive Director. Such “Investigations Division Annual Report” shall be due by June 30th of each year, with the exception of the calendar year the license is granted.
 - ii. A holder of a finding of suitability shall immediately inform the Commission of any arrest or conviction.

(f) Any executive, employee, or agent of a gaming licensee who is listed or should be listed in the annual employee report may be required to apply for a finding of suitability at the direction of the Commission.

(g) Approvals. The Mississippi Gaming Control Act and these regulations require commission approval for certain acts of licensees or transactions directly or indirectly involving licensees. Such approvals by themselves do not constitute the licensing or a finding of suitability of any person involved, but merely an approval for the particular transaction involved. The Executive Director shall have complete discretion in determining whether to grant prior approval for a contract or agreement which would otherwise be prohibited under Miss. Code Ann. §75-76-61(5), or an employment relationship which would otherwise be prohibited under Miss. Code Ann. §75-76-61(6). Notwithstanding the foregoing, however, no such prior approval shall be granted unless the Commission has previously given unanimous approval of the contract, agreement or employment relationship.

(h) Gaming Site Approval and Approval to Proceed with Development. The Commission may, in its discretion, grant approval of gaming sites. The Commission has divided the approval process into two separate phases:

1. Gaming site approval; and
2. Approval to proceed with development.

Source: *Miss. Code Ann. § 75-76-63*

Rule 1.4 Gaming Site Approval. With respect to gaming site approval, approval constitutes only the Commission’s finding that the location complies with applicable gaming laws and regulations. Gaming site approval does not entitle the recipient to approval to proceed with development, nor does it constitute a license to engage in gaming or a right to a gaming license. Gaming site approval is a revocable privilege, and no holder acquires any vested right therein. The Mississippi Gaming Commission reserves the right to revoke any site approval should the circumstances change that would make the site illegal or unsuitable. When presenting for approval the applicant’s application for gaming site approval, the following information, together with evidence satisfactory to the Commission in support thereof, must be included:

- (a) A survey indicating the specific location of the property.
- (b) The current use of any adjacent property as well as the location of the nearest residential area, church and school.
- (c) Evidence that all applicable zoning ordinances allow gaming at the proposed site.
- (d) A survey establishing the mean high water line must be provided at the time gaming site approval is given which is performed by a qualified surveyor for performance of tidal surveys. This provision is only applicable for proposed gaming sites located in the three (3) most southern counties in the State of Mississippi. Gaming establishments in the three (3) most southern counties in the State of Mississippi are permitted to be permanent inland structures. No point in the gaming area may be more than eight hundred (800) feet from the nineteen (19) year mean high water line. Harrison County establishments south of Highway 90 may exceed the eight hundred (800) foot measurement up to the southern boundary of Highway 90. All public easements and rights-of-way for public streets and highways shall be excluded from the eight hundred (800) foot measurement. Any point of reference used to determine the 800 foot distance from the mean high water line must be located on the applicant or licensee's premises. The applicant or licensee must own and /or lease the land that is contiguous both to the parcel used to conduct gaming and the point of reference used to determine the mean high water line, and this land must be shown to be an integral part of the project. The Commission has final authority in reviewing and approving each site as it pertains to meeting the requirements of this regulation

Rule 1.5 Approval to proceed with development. With respect to obtaining the Commission's approval to proceed with development, the following information, together with documentation to support this information, shall be submitted to the Commission:

- (a) Architectural plans or renderings showing details of all proposed construction and renovation for the project, together with a footprint of the project. Include a description of the construction and type of parking facilities, as well as parking lot capacity. Commission approval requires that the project include a 500-car, or larger parking facility in close proximity to the casino complex, and infrastructure facilities shall include a 300-room, or larger hotel of at least a three diamond rating as defined by an acceptable travel publication to be determined by the Commission. In addition, infrastructure facilities must include a restaurant capable of seating at least 200 people and a fine dining facility capable of seating at least 75 people, and the casino floor must be at least 40,000 square feet. The project will also have or support an amenity that will be unique to the market and will encourage economic development and promote tourism. The Commission will have authority in determining the quality of the amenity and the ultimate approval of the amenity, and may in its discretion reduce the requirements above should it determine that there is a justification to do so in certain markets. The Commission will further determine, in its discretion, if the prerequisite hotel and dining facilities may be supplanted by an amenity of high value to the overall tourism market in that the amenity will likely encourage economic development and promote tourism. As used herein, infrastructure facilities are not such items as parking facilities, roads, sewage and water systems, or civic facilities normally provided by cities and/or counties. The qualifying infrastructure must be owned or leased by (i) the holder of the site approval, or (ii) an affiliated company of the holder of the site approval where both the affiliated company and the holder of the site approval have identical direct or

indirect equity ownership. This regulation shall apply to any new applicant for a gaming license for a new gaming facility and to the acquisition or purchase of a licensee or gaming facility for which gaming operations have ceased prior to the time of acquisition or purchase. This regulation, however, shall not apply to any licensee which has been licensed by the Commission, or to any person which has received Approval to Proceed with Development from the Commission, prior to December 31, 2013. (or to such licensee upon any licensing renewal after such date). Any change to the plan, or placement or design of the establishment, cruise vessel or vessel, shall be submitted in advance to the Executive Director for determination of whether such a change constitutes a material change. If the Executive Director determines that a material change has occurred, Commission approval is required for the same.

(b) Statements reflecting the total estimated cost of construction or renovation of the establishment, vessel, or cruise vessel and shore and dock facilities, distinguishing between known costs and projections, and separately identifying:

1. Facility design expense;
2. Land acquisition costs;
3. Site preparation costs;
4. Construction costs or renovation costs;
5. Equipment acquisition costs;
6. Cost of interim financing;
7. Organization, administrative and legal expenses;
8. Projected permanent financing costs;
9. Qualified infrastructure costs; and
10. Non-qualifying infrastructure costs.

(c) A construction schedule for completion of the project, including an estimated date of project completion. Indicate whether a performance bond will be required by the applicant to be furnished by the contractor.

(d) Current financial statements, including, at a minimum, a balance sheet and profit and loss statement for the proposed licensee.

(e) A detailed statement of the sources of funds for all construction and renovation proposed by the site development plans. Any funding, whether equity or debt, to be obtained must be supported by firm written commitments satisfactory to the Commission. The applicant will have 120 days in which to close all financing and start construction or the approval is deemed void.

(f) Evidence that the following agencies (if applicable) were notified of the development and/or do not oppose the site development:

1. U.S. Corps of Engineers
2. U.S. Coast Guard
3. Mississippi Department of Transportation
4. Mississippi Department of Environmental Quality
5. Department of Marine Resources
6. Port and Harbor Commission

7. Levee Board
8. City and County government
9. Such other agencies as the Executive Director deems appropriate.

The application for a Gaming Operator's License shall be filed no later than ninety (90) days after the Commission grants approval to proceed with development. The gaming site approval will expire three (3) years from the date approval to proceed with development is granted unless the Commission grants an extension. Approval to proceed with development is not subject to sale, assignment or transfer.

Rule 1.6 Opening of a Casino. Before any gaming facility may open to the public, all infrastructure requirements must be fully operational. The development shall be completed in accordance with the approved plan and be ready for operation within the gaming site approval time period. Gaming site approval may be extended, within the discretion of the Commission. These amendments shall apply to all existing, pending, renewal and new applicants for a gaming site approval and approval to proceed with development. Rule 1.7 Compliance review and reporting system.

(a.) Whenever the Commission is acting upon any application of a licensee or registrant, or pursuant to its powers provided in *Miss. Code Ann.* §75-76-103, and if the Commission determines that circumstances exist which require additional management review by a licensee or registrant, the Commission may impose a condition upon any license or order of registration to require implementation of a compliance review and reporting system by the licensee or registrant.

(b.) The terms of the condition may include, but shall not be limited to:

1. That the condition shall expire on a certain date or after a designated period of time without commission action;
2. That the condition may be administratively removed by the Executive Director should a specified activity cease or a specified event occur; or

That a periodic review shall be conducted by the Executive Director and upon such review the Executive Director may recommend and the Commission may remove or continue to require the condition.

(c.) Notwithstanding the provision of paragraph (b) above, upon application, a licensee or registrant may request modification or removal of the condition imposed and the Commission may, after considering the recommendation of the Executive Director, modify or remove the condition.

(d.) The compliance review and reporting system shall be created for the purpose of monitoring activities relating to the licensee's or registrant's continuing qualifications under the provisions of the Act and regulations of the Commission in accordance with a written plan to be approved by the Executive Director administratively or as otherwise ordered by the Commission.

(e.) The written plan must provide for the operation of the compliance review and reporting system and must designate who shall be responsible for said system. The plan must provide for involvement of at least one person knowledgeable of the provisions of the Act and the regulations of the Commission. The plan must require periodic reports to senior management of the licensee or registrant. Such reports shall be advisory and the licensee or registrant shall maintain responsibility for compliance with the Act and regulations of the Commission. Copies of the reports must be provided to the Commission.

(f.) The activities to be monitored must be set forth in the written plan and must be determined by the circumstances applicable to the licensee or registrant. Without limitation, the activities that may be required to be monitored pursuant to the compliance review and reporting system include the following:

1. Associations with persons denied licensing or other related approvals by the Commission or who may be deemed to be unsuitable to be associated with a licensee or registrant;

Rule 2.2 Location

(a) The legislature has declared gaming operations legal if licensed by the Commission and conducted upon establishments, vessels and cruise vessels located in certain statutorily described areas where voters have not voted to prohibit gaming. The Commission, as authorized by law and in conformity with the power and responsibility vested in it by the legislature, finds that gaming licensees may operate at the following locations. Nothing in this section shall act to prevent the Commission from denying a gaming license or preliminary site approval based on the unsuitability of a particular site.

1. Cruise Vessels. Waters within the State of Mississippi which lie adjacent to the three (3) most southern counties of the State. In addition to the Mississippi Sound, this would include St. Louis Bay, Biloxi Bay and Pascagoula Bay. However, the rivers, bayous, lakes and back bays leading into these bays, including but not limited to the Jourdan River, Wolf River, Bernard Bayou, Tchoutacabouffa River, Pascagoula River and Escatawpa River, Biloxi River, Big Lake and Back Bay of Biloxi are not within the authorized area. In determining where the river ends and the bay begins, an imaginary line shall be drawn from the foremost land mass at the intersection of the river and bay, straight across the river to the foremost land mass of the intersection on the other side. In determining where Back Bay of Biloxi ends and Biloxi Bay begins, an imaginary line shall be drawn beginning at a point 1200 feet west of the center line of Interstate 110 on the northern shore to a point on the center line of Interstate 110 on the southern shore.
2. Vessels. Vessels must be on the Mississippi River or navigable waters within any county bordering on the Mississippi River when such navigable waters run into the Mississippi River. Navigable waters mean any rivers, creeks, bayous or other bodies of water that are used or susceptible of being used as an artery of commerce and which either in their natural or improved condition are used or suitable for use as an artery of commerce or are used for the docking or mooring of a vessel, notwithstanding interruptions between the navigable parts of such rivers, creeks, bayous or other bodies of water by falls, shallows, or rapids compelling land carriage. Vessels may be located (1) on the Mississippi River, including

oxbow lakes immediately adjacent to the Mississippi River, that communicate with the Mississippi River and are characterized by currents which reverse seasonally, running one direction when the Mississippi River rises, and the opposite direction when it falls, and (2) on navigable waters.

- i. “Navigable Waters” are defined as rivers, creeks, bayous or other naturally occurring bodies of water that, at the time of application and prior to improvements to accommodate a vessel empty into the Mississippi River in the county where the applicant casino is located; are located within a county where gaming is legal, in other words, do not border a county where gaming is illegal; are used or susceptible of being used as an artery of commerce for substantial commercial traffic; either in their natural or improved condition are used or suitable for use as an artery of commerce for substantial commercial traffic or are used for docking or mooring of a vessel; and are of a sufficient depth and width at least thirty (30) days of the calendar year to accommodate a vessel of at least 150’ in length and the proposed width of the applicant vessel.
- ii. Naturally occurring interruptions between the navigable parts of such rivers, creeks, bayous or other bodies of water by falls, shallows, or rapids compelling land carriage do not deprive it of its classification of navigable. Artificial impediments to navigation for substantial commercial traffic do not deprive rivers, creeks, bayous or other bodies of water of their status as navigable.
- iii. In accordance with the above, vessels must be west of the main line levee that runs from the border between the states of Mississippi and Tennessee to the end of the main line levee in Warren County and west of the naturally occurring levee system or bluffs from Warren County to the border between Wilkinson County, Mississippi and West Feliciana Parish, Louisiana, except vessels may be located on the Yazoo River within Warren County and the Big Black River where it forms the border between Warren and Claiborne Counties.

3. Establishments. The part of the structure in which licensed gaming activities are conducted is located entirely in an area which is located no more than eight hundred (800) feet from the mean high-water line (as defined in Section 29-15-1) of the waters within the State of Mississippi, which lie adjacent to the State of Mississippi south of the three (3) most southern counties in the State of Mississippi, including the Mississippi Sound, St. Louis Bay, Biloxi Bay and Pascagoula Bay, or, with regard to Harrison County only, no farther north than the southern boundary of the right-of-way for U.S. Highway 90, whichever is greater; and In the case of a structure that is located in whole or part on shore, the part of the structure in which licensed gaming activities are conducted shall lie adjacent to state waters south of the three (3) most southern counties in the State of Mississippi, including the Mississippi Sound, St. Louis Bay, Biloxi Bay and Pascagoula Bay. When the site upon which the structure is located consists of a parcel of real property, easements and rights-of-way for public streets and highways shall not be construed to interrupt the contiguous nature of the parcel, nor shall the footage contained within the easements and rights-of-way be counted in the calculation of the distances specified in the above paragraph.

4. The Executive Director may make a recommendation to the Commission regarding the qualification of a location for gaming operations upon the request of an applicant for an operator's license or upon a finding by the Executive Director that such determination is necessary and in accord with public policy.
5. These amendments shall apply to all existing, pending, renewal and new applicants for a license or preliminary site approval. (Adopted: 11/14/1990; Amended: 12/12/1990; Amended: 07/16/1998; Amended: 04/26/2001; Amended: 07/23/2003; Amended: 02/23/2006.)

Rule 2.3 Unsuitable Locations. The Executive Director may recommend that an application for a license be denied if the Executive Director believes that the place or location for which the license is sought is unsuitable for the conduct of gaming operations. The Commission may deny an application for a state gaming license if it deems that the place or location for which the license is sought is unsuitable for the conduct of gaming operations. Without limiting the generality of the foregoing, the following places or locations may be deemed unsuitable:

- (a.) Premises located within the immediate vicinity of residential areas, churches, schools and children's public playgrounds.
- (b.) Premises where gaming is contrary to any county or city, ordinance, including, but not limited to, zoning ordinances restricting the permissible locations for gaming facilities, so long as such ordinances do not have the effect of absolutely excluding or prohibiting legal gaming;
- (c.) Premises which fail to meet federal, state or local health and safety standards, and any other applicable laws or regulations including, but not limited to Coast Guard regulations.
- (d.) Premises frequented by minors. The Executive Director may recommend and the Commission may determine that premises frequented by minors are nevertheless suitable if the applicant demonstrates that it has taken sufficient precautions to separate areas of the premises frequented by minors from the gaming operation.
- (e.) Premises lacking adequate supervision or surveillance.
- (f.) Premises difficult to police, or where adequate fire protection may be difficult.
- (g.) Any other premises where the conduct of gaming would be inconsistent with the public policy of the State of Mississippi.
- (h.) The Legislature has declared certain public policy relating to gaming. In response to these directives, the Mississippi Gaming Commission has adopted certain rules as guidelines to adhere to this policy.
- (i.) The Commission, in conformity with this policy and guidelines in its rules and regulations when determining suitability of a site in which primary access is from a foreign jurisdiction, finds that:
 1. Access to any site on the west side of Mississippi River would require primary access from a foreign jurisdiction;
 2. Revenues from tourism and ancillary business would by necessity adhere to jurisdictions other than Mississippi;
 3. The population of the area served would be substantially non-Mississippi;
 4. It would not maximize economic development of Mississippi;
 5. Is not beneficial to Mississippi tourism;
 6. Employment opportunities would serve other than Mississippians;

7. Shore developments would substantially be on foreign jurisdictions;
8. Fire and police protection would fall on the shoulders of the foreign jurisdiction due to the inaccessibility of the site. There would be an undue burden on the Commission to strictly regulate as dictated by the Legislature.
9. Any establishment that must be accessed by agents traveling through foreign jurisdictions, frequently, if not daily, puts an unacceptable burden on that agent as well as the State. The lost time through travel is a highly inefficient use of state assets and additionally requires the agent to abandon on a daily basis the protection afforded to him by the state and submit to the laws of the foreign jurisdiction. The Mississippi Gaming Commission therefore declares it to be the policy of the Commission that any location that requires primary access from foreign jurisdictions to be unsuitable for a gaming establishment. (Adopted: 09/25/1991; Amended: 10/13/1994.)

However, to the extent local fire safety standards exceed the foregoing standards, the local standards must be followed.

(b) Certification of Passenger - Carrying Capacity.

1. A stability test shall be conducted by the licensee in accordance with 46 CFR, Subchapter S, Part 170, Subpart F. This test shall be witnessed by the American Bureau of Shipping, or such other regulatory and review agency designed by the Commission. In lieu of a stability test, the licensee may elect to perform a Deadweight Survey to determine the Lightweight Displacement and Longitudinal Center of Gravity. The Vertical Center of Gravity shall be determined by a conservative estimate, subject to approval by the American Bureau of Shipping or such other regulatory and review agency designated by the Commission.

2. The intact stability characteristics for each vessel must comply with the following criteria:

i. 46 CFR, Subchapter S, Part 170, Subpart E; Sections 170.160, 170.170 and 170.173.

ii. In lieu of compliance with 170.173, the licensee may elect to comply with alternate criteria for Vessels of Unusual Proportion and Form, as may be acceptable to the United States Coast Guard at that time, for certified passenger vessels.

iii. 46 CFR Subchapter S, Part 171, Subpart C, Section 171.050.

3. All permanently moored vessels shall be required to comply with a one-compartment standard of flooding, as outlined in 46 CFR 171.070, regardless of the passenger capacity of the vessel.

4. All permanently moored vessels shall be required to comply with Damage Stability Standards of 46 CFR, Subchapter S, Part 171, Subpart C, Section 171.080. Additionally, all vessels must comply with requirements for Stability After Damage (Damage Righting Energy Criteria) as may be acceptable to the United States Coast Guard at that time, for certified passenger vessels.

5. All stability calculations required in Items 1-4 above shall be furnished by the licensee to the American Bureau of Shipping (ABS) or such other regulatory and review agency designated by the Commission, for review and approval by that agency. All vessels must have a letter from the designated agency stating compliance with the above criteria.

6. Additionally, a periodic annual survey shall be conducted of casino vessels to determine if structural changes exist which may affect the stability of the vessel. The survey shall consist of the following:

i. General inspection of the superstructure and layout of outfitting to ensure there are no changes to the approved arrangement that may affect the stability of the vessel;

ii. Inspection of the underdeck spaces to ensure watertight integrity of the vessel is maintained;

iii. Inspection and report on the condition of the hull and watertight bulkheads;

iv. Inspection and report on the condition of water tight doors and water tight bulkhead penetration; and

vi. Inspection and report on the condition of ventilator, hatch covers and manhole covers. The periodic annual survey does not apply to American Bureau of Shipping classed vessels and United States Coast Guard Certified Vessels that are subject to their regulatory inspections.

7. Building Standards - Any establishment to be constructed for gaming will be required to meet the Southern Standard Building Code. If the local county or city has a building code, then the local code will be the applicable standard.

8. Licensee shall be required to obtain a license to operate a child care facility from the Mississippi State Department of Health prior to providing child care for patrons or employees. (Adopted: 09/25/1991; Amended: 06/28/93; Amended 02/23/2006.)

(d) Non-transferability Of Waivers. Therefore, careful consideration must be made in preparation of each plan (3) The MGC will coordinate with MEMA on each plan to ensure procedures are adequate to ensure compliance with the Mississippi Gaming Control Act and Mississippi Gaming Commission Regulations.

6. An employee benefit plan or pension fund that is subject to the Employee Retirement Income Security Act of 1974, as amended, excluding an employee benefit plan or pension fund sponsored by a corporation registered with the Commission;
7. A state or federal government pension plan;
8. A group comprised entirely of persons specified in (1) through (7); or
9. Such other persons as the Commission may determine for reasons consistent with the policies expressed in the Mississippi Gaming Control Act. To qualify as an institutional investor, a person other than a state or federal government pension plan must meet the requirements of a "qualified institutional buyer" as defined in Rule 144A of the Federal Securities Act.

(b) An institutional investor that becomes or intends to become subject to Mississippi Code Annotated §75-76-263(3) as a result of its beneficial ownership of voting securities of a corporation licensed or registered with the Commission may apply to the Executive Director for a waiver of the requirements of Mississippi Code Annotated §75-76-263(3) with respect to the

beneficial ownership of the voting securities of such corporation if such institutional investor holds the securities for investment purposes only; provided, however, that an institutional investor shall not be eligible to receive or hold a waiver if the institutional investor beneficially owns, directly or indirectly, except as otherwise provided in subsection (c), more than 15 percent of the voting securities and if any of the voting securities were acquired other than through a debt restructuring. Voting securities acquired before a debt restructuring and retained after a debt restructuring or as a result of an exchange, exercise or conversion, after a debt restructuring, of any securities issued to the institutional investor through a debt restructuring, shall be deemed to have been acquired through a debt restructuring. A waiver granted under this section shall be effective only as long as the institutional investor's direct or indirect beneficial ownership interest in such voting securities meets the limitations set forth above, and should the institutional investor's interest exceed such limitations at any time, it shall be subject to Miss. Code Ann. §75-76-263(3),

and the institutional investor shall apply within thirty (30) days thereof and without any request by the Executive Director, as otherwise provided in Miss. Code Ann. § 75-76-263(5), for a finding of suitability.

(c) An institutional investor that has been granted a waiver pursuant to subsection (b), may beneficially own more than 15 percent, but not more than 19 percent, of the voting securities of a publicly traded corporation licensed or registered with the Commission, only if such additional ownership results from a stock repurchase program conducted by such publicly traded corporation, upon the conditions that:

1. Such institutional investor does not purchase or otherwise acquire any additional voting securities of the publicly traded corporation, and (2) Such institutional investor reduces its ownership percentage of the publicly traded corporation to 15 percent or less within one year from the date the institutional investor receives constructive notice that it exceeded the 15 percent threshold, based on any public filing by the publicly traded corporation with the Securities and Exchange Commission.

(d) An institutional investor shall not be deemed to hold voting securities for investment purposes only unless the voting securities were acquired and are held in the ordinary course of business as an institutional investor and not for the purpose of causing, directly or indirectly, the election of a majority of the members of the board of directors, any change in the corporate charter, bylaws, management, policies or operations of the corporation licensed or registered with the Commission or any of its gaming affiliates, or any other action which the Commission finds to be inconsistent with investment purposes only. The following activities shall not be deemed to be inconsistent with holding voting securities for investment purposes only:

1. Voting, directly or indirectly through the delivery of a proxy furnished by the board of directors, on all matters voted on by the holders of such voting securities;
2. Serving as a member of any committee of creditors or security holders formed in connection with a debt restructuring;
3. Nominating any candidate for election or appointment to the board of directors in connection with a debt restructuring;
4. Accepting appointment or election as a member of the board of directors in connection with a debt restructuring and serving in that capacity until the conclusion of the member's term;
5. Making financial and other inquiries of management of the type normally made by securities analysts for informational purposes and not to cause a change in its management, policies or operations; and

6. Such other activities as the Commission may determine to be consistent with such investment intent.

(e) A request for a waiver must include:

1. A description of the institutional investor's business and a statement as to why the institutional investor is within the definition of "institutional investor" set forth in subsection (a) above.

2. A certification made under oath and the penalty of perjury, that the voting securities were acquired and are held for investment purposes only as defined herein and a statement by the signatory explaining the basis of his authority to sign the certification and to bind the institutional investor to its terms. The certification shall also provide that the applicant agrees to be bound by and comply with the Mississippi Gaming Control Act and the regulations adopted thereunder, to be subject to the jurisdiction of the courts of Mississippi, and to consent to Mississippi as the choice of forum in the event any dispute, question, or controversy arises regarding the application or any waiver granted under this section.

3. A description of all actions, if any, taken or expected to be taken by the institutional investor relating to the activities described in subsection (d).

4. The name, address, telephone number and social security number of the officers and directors, or their equivalent, of the institutional investor as well as those persons that have direct control over the institutional investor's holdings of voting securities of the corporation licensed or registered with the Commission.

5. The name, address, telephone number and social security or federal tax identification number of each person who has the power to direct or control the institutional investor's exercise of its voting rights as a holder of voting securities of the corporation licensed or registered with the Commission.

6. The name and address of each person that beneficially owns more than 5 percent of the institutional investor's voting securities or other equivalent, together with the percentage ownership of each such person.

7. A list of the institutional investor's affiliates.

8. A list of all securities of the corporation licensed or registered with the Commission that are or were beneficially owned by the institutional investor or its affiliates within the preceding year, setting forth a description of the securities, their amount, and the date of acquisition or sale.

9. A list of all regulatory agencies with which the institutional investor or any affiliate that beneficially owns voting securities of the corporation licensed or registered with the Commission files periodic reports, and the name, address, and telephone number of the person, if known, to contact at each agency regarding the institutional investor.

10. A disclosure of all criminal or regulatory sanctions imposed during the preceding 10 years and of any administrative or court proceedings filed by any regulatory agency during the preceding 5 years against the institutional investor, its affiliates, any current officer or director, or any former officer or director whose tenure ended within the preceding 12 months. As to a former officer or director, such information need be provided only to the extent that it relates to actions arising out of or during such person's tenure with the institutional investor or its affiliates.

11. A copy of the institutional investor's most recent Schedule 13D or 13G and any amendments thereto filed with the United States Securities and Exchange Commission concerning any voting securities of the corporation registered with the Commission.

12. A copy of any filing made under 15 U.S.C. 18a with respect to the acquisition or proposed acquisition of voting securities of the corporation registered with the Commission.

13. Any additional information the Executive Director or the Commission may request.
- (f) The Commission shall consider all relevant information in determining whether to grant a waiver requested pursuant to subsection (b), including but not limited to:
1. Whether the waiver is consistent with the policy set forth in Mississippi Code Annotated §§ 75-76-3 and 245;
 2. The factors set forth within Regulation II. H. Section 4; and
 3. Any views expressed to the Commission by the corporation or any licensed affiliate thereof.
- (g) An institutional investor that has been granted a waiver of a finding of suitability and that subsequently intends not to hold its voting securities of the corporation for investment purposes only, or that intends to take any action inconsistent with its prior intent shall, within 2 business days after its decision, deliver notice to the Executive Director in writing of the change in its investment intent. The Executive Director may then take such action under the provisions of Miss. Code Ann. § 75-76-263(3) as he deems appropriate.
- (h) A waiver of the requirements of Miss. Code Ann. § 75-76-263(3) that has been granted pursuant to this section and Miss. Code Ann. § 75-76-201(2) shall not be construed as a waiver of or exemption from the prior approval requirements of Regulation II. H. Section 12. An institutional investor that intends to apply for a waiver of the requirements of Miss. Code Ann. § 75-76-263(3) pursuant to this section must also simultaneously apply to the Commission for an exemption from the prior approval requirements of Regulation II. H. Section 12 if the proposed acquisition would give the institutional investor, directly or indirectly, the power to direct or cause the direction of the management and policies of the corporation.
- (i) If the Executive Director finds that an institutional investor has failed to comply with the provisions of this section, or should be subject to a finding of suitability to protect the public interest, the Executive Director may, in accordance with Miss. Code Ann. § 75-76-263(3), require the institutional investor to apply for a finding of suitability. The institutional investor affected by the action taken by the Executive Director may request a hearing on the merits of such action. The hearing shall be included on the agenda of the next regularly scheduled Commission meeting occurring more than 10 working days after the request for hearing. Upon good cause shown by the institutional investor, the Executive Director may waive the 10-day requirement and place such hearing on an earlier Commission agenda. The Commission, for any cause deemed reasonable, may by a majority vote, sustain, modify or reverse the decision of the Executive Director, or remand the matter to the Executive Director for such further investigation and reconsideration as the Commission may order. While the application for a finding of suitability or Commission review of the Executive Director's action requiring the filing of such application is pending, the institutional investor shall not, directly or indirectly, cause or attempt to cause any management, policy, or operating changes in the corporation or any gaming affiliate and shall not purchase or otherwise acquire any additional voting securities of the corporation.
- (j) Any corporation licensed or registered with the Commission or any registered or licensed subsidiary thereof shall immediately notify the Executive Director of any information about, fact concerning or actions of, an institutional investor holding any of its voting securities, that may materially affect the institutional investor's eligibility to hold a waiver under this section. (a) The granting of emergency permission to participate is a revocable privilege, and is not to be construed as a finding on the part of the Commission that the proposed transferee is qualified or suitable to hold a state gaming license or to be registered or to be approved. Such permission will be without prejudice to any action that the Commission may take with respect to any application for final approval of the proposed transfer of interest.

A transaction is considered consummated the earlier of the contract date or the date the cash, property, credit, guaranty, benefit or security is received.

(d) For purposes of this regulation, those transactions in subsections (b) and (c) that occur no more than thirty (30) days apart from a single source shall be considered a single transaction and must be reported if the total amount exceeds the thresholds stated.

(e) The following transactions need not be reported to the Executive Director regardless of the dollar amount of the transaction, fair market value of the assets involved, or average monthly payment:

1. Draws against a previously reported extension of credit.
2. Except for items specifically described in subsections (b) or (c), goods or services which are exchanged for other goods or services of an affiliate of the licensee.

The report must be made on the Loan to Licensees and Lease Transaction Reporting Form, or such other form as the Executive Director may hereafter require, with a fully executed copy of the financing agreement, and signed by an owner or key employee under oath.

(g) In the event a party to any transaction reportable pursuant to this regulation is a person other than the reporting licensee or its affiliate, subsidiary or registered holding company, or a financial institution or related subsidiary, or a publicly traded company, the report must be accompanied by a supplemental filing which must include that person's federal tax identification number or social security number and date of birth, banking references, and source of funds, and any additional information the Executive Director may require. The report must be made on the Loan to Licensees and Lease Supplemental Information Form, or such other form as the Executive Director may hereafter require.

(h) If, after such investigation as the Executive Director deems appropriate, the Commission finds that a reported transaction is inimical to the public health, safety, morals, good order or general welfare of the people of the State of Mississippi, or would reflect, or tend to reflect, discredit upon the State of Mississippi or the gaming industry, it may order the transaction rescinded within such time and upon such terms and conditions as it deems appropriate.

(i) A bankruptcy filing by a licensee does not relieve that licensee of the reporting requirements of this regulation.

(j) The Executive Director may waive one or more of the provisions of this section or require a report of a transaction not otherwise addressed in this section or a supplemental filing, upon a finding that the waiver, reporting requirement or supplemental filing is consistent with the public policy of the State of Mississippi, as set forth in Section 75-76-3 of the Mississippi Code, as amended.

Rule 9.13 Leases.

(a) Definitions. In addition to the terms defined in the Act and the regulations thereunder, the following definitions shall apply in this regulation:

1. "Lessor" means any person who leases or rents any property, real or personal, to an operating licensee or to a person who, in turn, leases or rents property to an operating licensee.

2. "Lease" means any formal or informal, written or oral, contract or understanding or arrangement whereby any operating licensee obtains the use or possession of any property, real or personal, to be used, occupied, or possessed in connection with any gaming establishment. The term "lease" includes, without limitation, payments made to an affiliated person under a real property lease or a personal property lease.

3. "Operating licensee" means the person or entity to whom a state gaming license has been issued for the conduct of gaming. The term does not include persons or entities which have been issued licenses or findings of suitability as officers, directors, stockholders, or key employees.

(b) Each of the following transactions must be reported by the operating licensee to the Executive Director if the dollar amount of the transaction exceeds \$50,000:

1. Leases, including leaseback transactions and capital leases.

2. Leases, other than vehicle leases, where an option to purchase exists.

3. Leases of any associated equipment.

4. All renewals, changes or modifications to the terms or conditions of transactions previously reported under this section must be reported.

(c) For purposes of this regulation, those transactions in subsection (b) that occur no more than thirty (30) days apart from a single source shall be considered a single transaction and must be reported if the total amount exceeds the threshold stated.

(d) Reports by operating licensee. The operating licensee shall report to the Executive Director all leases to which it is a party not later than 30 days after the effective date of the lease and shall include the following information:

1. The name, address, and a brief statement of the nature of the business of the lessor.

2. A brief description of the material terms of the lease.

3. A brief description of any business relationships between the operating licensee and the lessor other than by the lease. The report must be made on the Loan to Licensees and Lease Transaction Reporting Form, or such other form as the Executive Director may hereafter require, with a fully executed copy of the lease, and signed by an owner or key employee under oath.

(e) In the event a party to any transaction reportable pursuant to this regulation is a person other than the reporting licensee or its affiliate, subsidiary or registered holding company, or a financial institution or related subsidiary, or a publicly traded company, the report must be accompanied by a supplemental filing which must include that person's federal tax identification number or a social security number and date of birth, banking references, and source of funds, and any additional information the Executive Director may require. The report must be made on the Loan to Licensees and Lease Supplemental Information Form, or such other form as the Executive Director may hereafter require.

(f) If, after such investigation as the Executive Director deems appropriate, the Commission finds that a reported transaction is inimical to the public health, safety, morals, good order or general welfare of the people of the State of Mississippi, or would reflect, or tend to reflect, discredit upon the State of Mississippi or the gaming industry, it may order the transaction rescinded within such time and upon such terms and conditions as it deems appropriate.

(g) A bankruptcy filing by a licensee does not relieve that licensee of the reporting requirements of this regulation.

(h) Leases between two Mississippi licensees are exempt from this reporting requirement.

(i) The Executive Director may waive one or more of the provisions of this section or require a report of a transaction not otherwise addressed in this section or a supplemental filing, upon a finding that the waiver, reporting requirement or supplemental filing is consistent with the public policy of the State of Mississippi, as set forth in Section 75-76-3 of the Mississippi Code, as amended.

(a) In the event of the death or judicially established disability of a licensee or a stockholder of a corporate licensee, the spouse, next of kin, personal representative or guardian of such deceased or disabled person or the person in charge of the licensed establishment, or, in the case of a corporate licensee, a managing officer of such corporation, shall notify the Executive Director immediately of the fact of such death or disability.

(b) In case such deceased or disabled person is the sole licensee for an establishment, the Executive Director may, in his sole and absolute discretion, authorize the spouse, next of kin, personal representative or guardian for a license to operate such establishment.

(c) In any case in which the interest held by such deceased or disabled person in any licensed establishment would pass by operation of law or otherwise to his estate or to any person other than a co-licensee, such person or the personal representative or guardian of the deceased or disabled person shall, within thirty (30) days after the date of death or disability, make application to the Executive Director for a temporary license as successor in interest, representative or guardian, whichever is appropriate.

Such temporary license may not be assigned in whole or in part.
