**CHARITABLE GAMING INDUSTRY LETTER No. 2008-01**

August 26, 2008

**TO:** All Charitable Gaming Licensees  
**FROM:** Larry Gregory, Executive Director   
**RE:** Fair play for patrons of electronic bingo and pull-tab machines

Effective immediately, the playing of an electronic bingo or pull-tab machine by a worker or relative of a worker will be prohibited. There also can be no patron of the bingo hall being a "house player" and playing bingo for any worker in the bingo hall.

Any licensee violating the above industry letter will be subject to fines, loss of electronic machines and possible revocation of license. The Charitable Gaming Division is tasked by law to insure that games are fairly played and operated in accordance with the provisions of the license. An unfair advantage can be established by someone reading the electronic meters and then playing that machine.
