**March 31, 2005**

**TO:** All Licensees, Enrolled Attorneys and Interested Parties

**FROM:** Larry Gregory, Executive Director 

**RE:** Deadline Extension for Adherence to MGC Regulation IV. Manufacturers and Distributors (amended regulations); and MGC Regulation VIII. Technical Standards for Gaming Devices and On-Line Slot Systems (new regulations) adopted September 15, 2004

This industry letter specifically references Industry Letter No. 2004-10, which identifies the deadlines that manufacturers and casinos are required to become compliant with the previously adopted MGC Regulations IV and VIII.

The MGC is extending the deadline in which casinos must conform to Regulation VIII from September 15, 2005 to July 15, 2006.

Manufacturers should have already submitted their systems to an Independent Testing Laboratory, by the previously established deadline of March 15, 2005, for compliance testing with the aforementioned regulations.

Questions regarding this industry letter should be directed to the Compliance Division.
