RE: Implementation of New Laboratory Fee System

On July 1, 2006, the Mississippi Gaming Commission (MGC) will implement a new fee structure for billing the services provided by the MGC Gaming Lab.

This fee will be \$225 per line item submitted for review and approval. This fee will replace the system of hourly charges currently employed by the Laboratory. We anticipate a significant reduction in approval time with this change.

Should you have any questions, please contact the Gaming Laboratory Director at 601-576-3961.
