**Announcement of New Online Sign Up as Part of Our Updated Responsible Gaming Program.**

September 3, 2025- The Mississippi Gaming Commission is excited to announce the launch of a new online sign-up process as part of our Responsible Gaming Program starting in September. This new option will allow individuals to enroll in the self-exclusion program through a secure link on our website.

The MGC is committed to providing effective resources to promote responsible gaming throughout the state. We are proud to offer easier access to the self-exclusion program and look forward to working with our licensees to ensure patrons are provided these resources when needed.
